

Position: Homelessness Prevention and Community Engagement Coordinator (2 positions)

Location: Lower East Side, NY and the Bronx, NY

Reports to: Housing Stability Support Program (HSSP) Program Director, LES/the Bronx

Supervisory Responsibilities: No

Summary: The Homelessness Prevention and Community Engagement Coordinator is a member of a team of social service professionals providing critical outreach, prevention, supportive housing, and strengthening programs to low-income, high-risk households through our highly successful Housing Stability Support Program (HSSP). The responsibilities of the Homelessness Prevention and Community Engagement Coordinator fall into two primary areas: direct client services and workshop coordination.

The Homelessness Prevention and Community Engagement Coordinator will support direct client services to program participants; providing intake, assessment, case management, referral, and follow-up. The Homelessness Prevention and Community Engagement Coordinator will screen for multiple needs and implement a protocol for emergency assistance, rental assistance, or household support services, including domestic violence and benefits screenings. The Homelessness Prevention and Community Engagement Coordinator will create and maintain electronic and hard copy files of all assigned households and manage a regular schedule of appointments, case reviews, and team meetings.

The Homelessness Prevention and Community Engagement Coordinator will, at times, staff LifeLab activities. These seminars and events are designed to build more stability, economic empowerment, and household well-being. The Homelessness Prevention and Community Engagement Coordinator will work with team collaborators and outside partners to support LifeLab sessions. The position at times requires flexible scheduling, including some evenings and Saturdays.

Responsibilities:

- Engage households facing housing instability and work with them to develop greater self-sufficiency and strengthen housing stability.
- Work with residents in providing housing counseling services.
- Identify the appropriate providers and facilities throughout the continuum of services while ensuring that available resources are being used in a timely and cost-effective manner.
- Provide case management services in a climate that allows direct communication between the case manager, the client, and appropriate service personnel to optimize the outcomes.
- Manage intake, assessment, independent living plans, and Master Action Plan (MAP) for households in case management.
- Maintain up-to-date and accurate case records. Thoroughly document all services in the on-line database with Master Action Plan (MAP) for each case.
- Make referrals for specialized services.
- Collaborate in LifeLab calendar and registrations with staff.
- Assist in facilitation of LifeLab sessions, including supervision of program aides, guest speakers, or volunteer-led activities when applicable.
- Develop individual housing resiliency plans for housing clients.

- Represent the agency at meetings as necessary and other tasks as assigned.
